REMINDER: Special Presentation

History Pin: A Global Community Collaborating Around History

Monday, July 14, 2014

7:00 pm

Occidental College Library  
1600 Campus Drive, Los Angeles 90041

On Monday, July 14, 2014, beginning at 7:00 pm, Anne Mar, Archive Librarian at Occidental College Library, will give a demonstration of how to use History Pin [www.historypin.com](http://www.historypin.com) to create your unique, personal archive of photos. Bring your smart phone to the monthly HPHT meeting, which this month will be held at the Brown Lab at the Occidental College Library.

Do you have a picture of your house as it originally looked years ago? Do you have a family photo that shows a building, or panorama, or a setting that has changed measurably? Perhaps you have a photo of something that to this day hasn't changed at all! Intrigued? See you July 14th!

Source: History Pin - York @ Figueroa

Address: 1600 Campus Drive, Los Angeles, CA 90041.

Enter campus at Armadale Ave. & Campus Rd. and park at the lot immediately to the left. If gates are closed, there is normally ample parking on Campus Rd. right outside the entrance (you can still walk in through that entrance). The Library building is right in front of the parking lot, next to the softball field. Follow the "HPHT" signs to the rear door of the library.

For questions, please contact HPHT by email at [info@hpht.org](mailto:info@hpht.org) or by telephone at (323) 908-4127.

Highland Park Heritage Trust

HPHT is an all-volunteer, nonprofit community organization that is dedicated to the historic preservation of Los Angeles' Arroyo Seco communities of Highland Park, Garvanza, Mt. Washington, Hermon, Montecito Heights and Cypress Park. Our mission is to advocate, promote and educate the community about our historic neighborhoods by hosting walking tours and programs, and sponsoring events that feature our rich cultural and architectural heritage.

## **6 [NELAart] Call for Artists**

Sat Jul 12, 2014 11:13 pm (PDT) . Posted by: [asncalert](#)

### CALL FOR ARTISTS SUBMISSIONS

The Eagle Rock Neighborhood Council is asking for artists to submit proposals for mini murals to adorn the LA DOT signal boxes along Colorado and Eagle Rock Boulevards. This is an amazing opportunity to have your work become part of an installation to enhance the walking boulevards of Eagle Rock.

You may submit as many proposals as you like. All submissions will have identifying information removed and be voted upon anonymously by the ERNC Public Arts Committee.

The 17 winning proposals will then become a permanent part of the eclectic Eagle Rock art scene.

To submit, please email [christina.hulen@eaglerockcouncil.org](mailto:christina.hulen@eaglerockcouncil.org)

<mailto:christina.hulen@eaglerockcouncil.org> with LA DOT Art in the subject heading.

You will be sent a packet of information that includes the specs for the boxes. Deadline for submissions is July 28.

Please direct any questions to Christina Hullien.

CYPRESS PARK - An armed man who barricaded himself inside a residence in Cypress Park was flushed out with tear gas today and taken into custody, police said.

The suspect fled to the residence in the 2600 block of Merced St. in Cypress Park around 8 p.m. Thursday after being pursued on foot by Los Angeles police anti-gang officers, said LAPD Sgt. Wyne Guillory.

Guillory said members of the anti-gang unit noticed the suspect brandishing a firearm on a street and gave chase. He was followed to what was believed to be a single-family residence on Merced, and the SWAT team was summoned around 11:45 p.m., he said.

Residences around the location were evacuated, and the suspect was taken into custody around 3 a.m., Guillory said. No one was hurt during the operation, he said.

A woman in Lincoln Heights says she and her dog were attacked by two pit bulls on Friday, June 13, 2014.

Tuesday, July 08, 2014

**LINCOLN HEIGHTS, LOS ANGELES (KABC) --**

A Lincoln Heights woman and her dog were attacked by two pit bulls, but the two attacking dogs are still roaming the neighborhood nearly a month later. L.A. Animal Services is investigating.

Sylvie Cogranne says she and her poodle "Milou" are lucky to be alive after being viciously attacked by two pit bulls last month. Cogranne says Milou needed well over two dozen stitches and she nearly lost her hand in the attack.

Cogranne says the nightmare happened at 3 a.m. on Friday, June 13. She says she heard dogs barking in the neighborhood and when she opened her side door to see what was going on, the pit bulls were at her doorstep.

"Two pit bulls were right there and grabbed my dog and started pretty much chewing on him," said Cogranne. "I put my hand to protect my dog and me and that's when he bit my hand. I threw my dog inside the house and the dark dog came inside the kitchen and I'm on the floor fighting the dog. I kicked him, and, I don't know how, but it just left after that. It was following the other dog."

Cogranne says if the dogs had not stopped the attack, she fears she and her dog could have been killed. She says the dogs dug a hole underneath their fence and got into her yard.

People in the neighborhood say the dogs regularly get out of their yard, and they are afraid to walk in the area.

Cogranne says two days after the attack, Animal Control came to her home and took a report, and despite numerous call to them, she says no one will tell her anything.

L.A. Animal Services told Eyewitness News in a statement Tuesday that "there is an open case and hearing pending."

Animal Control officials say if you suffer a dog bite in the city of Los Angeles, report the incident to Los Angeles Animal Services for investigation by calling the shelter closest to you to speak with the officer in charge. They say the department will investigate and help get truly dangerous dogs off the streets.

## 10 TERA Community Alert: Oppose Scholl Canyon Dump Expansion!

Sat Jul 12, 2014 11:14 pm (PDT) . Posted by: [asncalert](#)

e.letter

July 11, 2014

Oppose Scholl Canyon Landfill Expansion

Your voice is needed now to protect Eagle Rock's quality of life. The board of The Eagle Rock Association (TERA) voted at our June meeting to oppose Glendale's proposed expansion of the Scholl Canyon Dump. The clear threat of increased air pollution in Eagle Rock is one cause for alarm. Now we ask your help to stop this dangerous dump expansion.

**The Issue:** The City of Glendale has released a draft Environmental Impact Report (EIR) and is seeking comment on proposed expansion of the dump, which includes two variations for the proposed project: a vertical expansion only (Variation 1) and a vertical and horizontal expansion (Variation 2). Variation 1 will extend the life of the dump by 13 years. Variation 2 will extend the dump's longevity by 19 years. Scholl Canyon dump is currently scheduled to close in 2021.

**The Impact:**

- "Unavoidable adverse impacts related to local air quality" even after mitigation, according to the draft EIR.
- Increased diesel exhaust from the hundreds of dump trucks entering the dump each day, leaving nearby residents breathing concentrated levels of diesel exhaust.
- A garbage high-rise of 180 additional feet, or 14 stories tall!
- Increased traffic-related noise for residents near Scholl Canyon Road between Ventura (134) Freeway and the 7800 block of N. Figueroa.
- Adverse impact to the nesting habitat of some birds protected under the federal wildlife law, according to the draft EIR.

**What You Can Do:**

1. Sign TERA's petition against Scholl Canyon Dump Expansion. [Click here.](#) (petition attached)
2. Call Councilmember Huizar and urge him to OPPOSE Scholl Canyon dump enlargement and fully deploy the City of LA's resources against this expansion. Councilmember Huizar's office number is:213-473-7014.
3. Attend the July 31st Community Meeting with City of Glendale staff. The meeting will take place from 6:30 pm to 8:00 pm at the Eagle Rock Recreation Center, 1100 Eagle Vista Drive, 90041. Voice your concerns and show that Eagle Rock is united against this expansion.
4. Submit your written comments to the draft EIR. Written comments on your assessment of adverse impacts should be sent to:

By Mail: Sanitation Districts of Los Angeles County

Attention: Ms. Debra Bogdanoff  
1955 Workman Mill Road  
Whittier, CA 90601

By email: [sclfeir@lacsd.org](mailto:sclfeir@lacsd.org)

DEADLINE FOR COMMENTS IS AUGUST 31, 2014.

5. VOLUNTEER with TERA's efforts to inform Eagle Rock residents!

We need your help to reach and rally TERA members and Eagle Rock residents about this significant threat to our quality of life. TERA will host phone banks to contact residents on Sunday afternoons. To volunteer, please contact Luis Lopez at 213-840-9312 or via email at: [luisxlopez@gmail.com](mailto:luisxlopez@gmail.com).

## **11 Scholl Canyon Landfill - What's the Deal?**

Sat Jul 12, 2014 11:14 pm (PDT) . Posted by: [asncalert](#)

<http://tinyurl.com/lggadn7> <http://tinyurl.com/lggadn7>

Hello Neighbor!

Scholl Canyon Landfill Expansion - What Do I Need to Know?

At our upcoming August 5 meeting, the Eagle Rock Neighborhood Council will vote to send a letter in response to the draft Environmental Impact Report (EIR) that was recently published about the potential expansion of the Scholl Canyon Landfill in Glendale.

But before we do, we'd like to hear from you.

Read on for details, and please check out the "important dates" section below, as it lists a local meeting happening tonight.

### What is This "EIR" You Speak Of?

The draft Environmental Impact Report (EIR) is the result of a years-long study by the Sanitation Districts of Los Angeles County, of the potential impacts of expanding the Scholl Canyon landfill. The EIR presents the pros and cons of several expansion scenarios, and also includes the option of not expanding the landfill at all. (In all of the scenarios, the landfill will eventually close for good; it's just a matter of when.)

In a hurry? Click this link for a one-page summary of the EIR and contact info. (PDF)  
<http://www.lacsd.org/civica/filebank/blobdload.asp?BlobID=9118>

Got some time? Here's a direct link to the Executive Summary (PDF), which gives a broader overview of the options.

<http://www.ci.glendale.ca.us/planning/EnvironmentalReview/SchollCanyonLandfill/Draft%20EIR%20Vol.%201/1.0%20-%20Executive%20Summary.pdf>

Want to do it right? Click this link to read the entire EIR on the City of Glendale's website.

[http://www.glendaleca.gov/government/departments/community-development/planning-division/current-projects/environmental-review?utm\\_source=CD14+E-Newsletter&utm\\_campaign=bfffc3f87a1-10\\_26\\_12\\_Newsletter10\\_26\\_2012&utm\\_medium=email&utm\\_term=0\\_8caae4badf-bfffc3f87a1-38014365](http://www.glendaleca.gov/government/departments/community-development/planning-division/current-projects/environmental-review?utm_source=CD14+E-Newsletter&utm_campaign=bfffc3f87a1-10_26_12_Newsletter10_26_2012&utm_medium=email&utm_term=0_8caae4badf-bfffc3f87a1-38014365)

Note: the City of Glendale site is in blog format; scroll halfway down the page to find the entry for the EIR, which contains direct links to all the sections.

If you care about this issue, you really should explore the whole EIR, since it contains photos of the potential visual impact on Eagle Rock, as well as discusses the "no-build" option.

But Isn't Scholl Canyon in Glendale?

Why Should I Care?

The landfill may be in Glendale, but access is through Eagle Rock -- specifically, the 134 West offramp by the Eagle Rock Recreation Center, and the stub of north Figueroa that becomes Scholl Canyon Road, are the heavily-used "front door" to the dump. Trucks rumble through here all day, every day, carrying refuse to the dump -- which is not open to City of L.A. residents.

(The back door to the dump, if there were one, would be the lovely Glendale neighborhood of Glenoaks Canyon. No garbage trucks go through here, nor will they ever.)

The EIR lists all the health and environmental effects of extending the dump's life by a decade or more. These are cumulative, since daily use of the landfill would remain the same. An immediate effect of expansion, however, would be aesthetic: a section of the ridge behind the 134 Freeway, and the visual backdrop of our main drag of Colorado Boulevard, is the back side of the dump. This is the area that would be expanded, and the visual impacts of increased vehicular traffic and night-time lighting on Eagle

Rock are some of the issues discussed in the EIR.

#### Important Dates

##### JULY 11 (tonight) - ADVOCACY MEETING AT COLORADO TERRACE

Tonight, July 11, at 7:00 pm there will be a meeting about the dump expansion held by the East Area Progressive Democrats. (It's listed as an "advocacy" meeting because the EAPD have announced they are anti-expansion.)

The meeting will be in the Community Room at Colorado Terrace, 2455 Colorado (the "big orange building"). For more information, click this link, or contact [eapd.la@gmail.com](mailto:eapd.la@gmail.com).

##### JULY 31 - PUBLIC MEETING AT EAGLE ROCK REC

If you go to only one meeting, this should be it: On Thursday, July 31, there will be an important public informational meeting at the Eagle Rock Rec Center, 1100 Eagle Vista Drive, hosted by Councilmember Huizar. (Starting time is TBA; we assume it will be 6 or 7 pm.) Personnel from the City of Glendale will be there to answer your questions.

This is an informational meeting only; if you have an opinion or comment, you still need send it through the proper channels (see below). For more information about the meeting, call Councilmember Huizar's office at (323) 254-5295 or email [lauren.ballard@lacity.org](mailto:lauren.ballard@lacity.org).

##### AUGUST 5 - ERNC MONTHLY MEETING

At this meeting, the ERNC will vote to send an official response, on behalf of Eagle Rock, to the EIR. We'll recap the July 31 meeting for those who couldn't attend, and listen to your comments.

##### AUGUST 29 - COMMENT PERIOD DEADLINE

Earlier in the summer, both Councilmember Huizar and the ERNC sent letters asking that the comment period for the EIR be lengthened, so that Eagle Rock could weigh in on the EIR. The City of Glendale and the Los Angeles County Sanitation Districts agreed to extend the deadline, twice; the new deadline for comments is August 29. Note that the deadline listed on the City of Glendale site is still July 31; however, comments will be accepted until August 29.

#### Where Do I Send My Comments?

All comments must be in writing.

You can snail-mail comments to:

## **12 THE WINNER OF THE ATWATER VILLAGER OF THE YEAR IS ....**

Sat Jul 12, 2014 11:14 pm (PDT) . Posted by: [asncalert](#)

Atwater Village, CA: Bruce Fleenor, local volunteer and the pastor of Christ's Church at Griffith Park (a local church located in Central Atwater) is the winner of the Atwater Villager of the Year for 2014.

This annual award, determined by community nominations and presented annually by the Atwater Village Chamber of Commerce, is for someone "whose noteworthy good deeds has served to preserve the uniqueness of our community or improved those areas that needed improvement."

As pastor at Christ's Church, since 2006, it was Bruce's idea to open up his church to Atwater's civic, educational and self-help groups. Recognizing the lack of adequate meeting spaces Bruce has actively welcomed the use of the church building for community meetings, voting and other events. All free of charge to the community and the organizations that use the space. Groups that benefit from Bruce's hospitality include Atwater's Neighborhood Council, Residents Association, Urban Homeschoolers, Overeaters Anonymous and other local groups.

He also is a gifted pastor and teacher that serves the spiritual needs of our community. With Bruce, what you see is what you get. He is a real and straight-shooting pastor that is known for his openness and honesty. As pastor and teacher he does his homework, is quick to share his knowledge and rarely pulls the "scholar card".

While not at Church he works to help local youth reach their full potential as a basketball coach at Chevy Chase Rec Center. Coaching is close to his heart, as evidenced by the many hours each year he puts in coaching basketball.

Bruce grew up in Morro Bay and graduated from Hope International University in Fullerton. He's been married 27 years to his wife Tanya Fleenor and has two wonderful kids, one cat, one dog, and one foster-dog.
